## Taylor Club Meeting.

The D. H. Taylor Club will hold a business meeting at the cigar store of Thomas M. Jones, Eleventh street, this evening, at 7:30 o'clock. It is important that all members of this organization should be present, as the matter of uniforms will be decided. The club expects to be able to turn out in the parade held in the city.

## Instantly Killed.

John Eldner, of Wheeling Junction, was struck and instantly killed last night about 9 o'clock at Middle Ferry, opposite Steubenville, on the Pawley railroad tracks by a south bound passenger train. Eldner was intoxicated and walking on the track when he was killed. His body was horribly mangled. He was twenty-eight years of age, and unmarried. His parents, three brothers and a sister survive him.

## To Organize a Union.

Mr. Charles C. Conine, general secretary-treasurer of the United Brotherhood of Leather Workers, arrived in the city yesterday from Kansas City. Mr. Conine is here in the interest of a local harness makers' organization. After attending to the duties of his office he was entertained by the local committee, composed of Messrs. Thomas McDermott, O. Mayne and B. Krebber, and was taken through the shops and other points of interest in the city. Mr. Conine was very much pleased with the reception accorded him while in the city. He left at 1:30 p. m. for Washington, D. C.

## In the Squires' Courts.

In Justice Rogers' court yesterday a warrant was sworn out by George Conrad for Thomas Cassidy, charging him with stealing chickens from Thomas Cole, the Main street grocer. When taken before the squire he plead guilty, and was fined \$10 and costs and sent to jail for ten days.

Alfred Pond, a colored man, was adjudged insane.

In Justice Fitzpatrick's court C. H. Quimby, the Market street newsdealer, was fined \$10 and costs on a charge of stealing copies of the Pittsburgh Dispatch. Quimby, it appears, bribed one of the boys that carry the Dispatch and had him leave a number of copies at a certain house, where he would collect them and sell them to his customers. This city has a regular agent for this paper, and this was the only means Mr. Quimby had of securing the paper.

tributed Wednesday.

No action having been taken by any of the city's organizations, the firm of House & Herrmann has started the ball rolling in Wheeling for the benefit of the flood disaster victims of Galveston, Texas. The firm itself led off with a \$25 contribution, and a number of other persons and firms added their donations, and in the evening the firm wired the sum subscribed, \$47, to Walter C. Galveston has appealed for help to the nation, and Wheeling can be depended upon to come to the front with liberal contributions.

## THEY WANT THE ROAD.

Citizens of Brooke County Desire the  
Wheeling-Wellsburg Road to be  
Built at Once.

The sentiment of the citizens of Brooke county towards the construction of the new electric railway line from Wheeling to Wellsburg has grown immensely within the past few weeks. The Wellsburg people are now anxious that the road shall be constructed with the least possible delay. The road will benefit all the farmers along its line and will no doubt boom land values in both Ohio and Brooke counties, especially along that part of the beautiful Ohio Valley known as Beech Bottom. A party of engineers and officials of the proposed line made a trip over the line on Tuesday and it is understood met with great encouragement. The property owners along the line at a meeting recently held, formulated favorable propositions which will be submitted to the new company and will also present a petition to the county court of Brooke county asking that body to grant the road the right of way over the county road at certain places.
